

At Township Dental, standard of care is our priority. We consider you to be a family member, and would like to do everything possible to make your office experience a pleasant one.

**Visit us at www.townshipdental.com. There you will find a complete library of educational videos, articles and useful information in regard to dental health.*

**Follow us on Facebook, Twitter and MySpace for the latest up-to-date news and information.*

**Referral program! Tell your friends, co-workers and colleagues about us. After their first visit to our office, you will receive an electric Sonic Care toothbrush (a \$190 value) and a \$50 credit on your account toward future treatment. The patient you referred will receive free bleaching (a \$300 value)!*

**For patients with transportation issues, our office will provide transportation for free (on a case by case circumstance). Ask us today for details!*

***We accept most AHCCCS plans.**

***Se Habla Espanol**
